Storm Lake had the roof blown off two months ago so anything still in upstairs got rain damage. That on first floor was okay but work is ongoing to repair roof and dry out any damaged they can save. It is slow going as multiple storms continue to badger the area and financial colts.

LeMars had no meeting in June due to Ice Cream Days, but have speakers at each other meetings mostly about history in the county. They meet at the Historical Museum in LeMars the third Saturday of the month..

Sioux City still have their meetings at the Morningside Library with programs. As of July they have dropped the availability of the 2nd Friday meetings for interested genealogist at the Center for Active Generations. No pushing the Woodbury County Fair as they have a "Genealogy Open Class Department" Entries must be brought to fair grounds Monday July 28th between noon and 7pm. They are judged on Tuesday and put on exhibition Wed thru Sunday 6pm They meet the second Saturday of the month.
