

REGION 7 REPRESENTATIVE REPORT

Cris Nagla

In March we went to Webster County to help purge their inventory (see Library Committee Report) due to lack of visitors they want to just concentrate on the surrounding counties. We asked if there was anything IGS could do to help promote them. We told Susan to let us know if they have an event that we can put on our website to help them. We also asked if she had talked to her Region Representative and she did not even know who she was. So, we told her to email us direct, and we will help her in any way we can. Do we need to be a little bit pickier about who is a Region Representative or making the duties of a representative clearer to the person accepting the position.

Hamilton and Webster counties will be resuming their meetings the end of April.
