

Jeanine Wichman

District 6

North Central Iowa Genealogical Society's meeting in May was about the digitized Mason City pictures. The June meeting was about Glenn Mary, the town that wasn't in Worth County. The July meeting was a Zoom presentation by Bob Cox from Phoenix, Arizona on the Civil War stories of Nathan and Fielding Rice, volunteers in the Civil War.

Worth County historical Society is becoming very active on Facebook. They're encouraging people to look into their family history.
