

Region Rep Report

Hamilton County is getting ready for their Fall Conference in October (the week before IGS). Dennis Allen and Shaun Boyles from IGS will be presenting at. They are trying to reach out to the surrounding societies for presenters. If you know of anyone who might like to do a 30–45-minute talk, please let me know. I will pass on the information to them. One of the topics is a round talk discussion on the future of societies in Iowa.

Wright County is still struggling to find someone to run it. Dennis and I are going to go up and have lunch with Jo Ann Kramer and see if there is something we can do to help. Part of the problem is nobody wants to head the group.

Webster County, while this is not one of our counties, we have known Susan Olson for a long time, and she is currently in the process of packing up stuff. The Historical Society does not meet until July 27th, but it doesn't look promising for a merger. I was told on Sunday that we will need a large truck. Dennis and I will help her with anything she needs. I am not sure just what all we will be bringing back with us. At this point we might have to use a small part of the garage to store it until we can go through it.
