

Iowa Genealogical Society

Board Report – Region 14

July 18 2026

Linda Madden

Woodbury County Genealogy met at the Morningside Library, Sioux City, on the 2nd Saturday of the month except in May when they meet at Alfs library. They have a program each month either by a taped

presenter or knowledgeable speaker and topics have included using AI, DNA, and family trees by these methods. Also members receive a monthly email reminder of location and program. A quarterly newsletter is also emailed to members.

NWIA geni at LeMars meets on the 3rd Saturday of the month at 1:30pm except June. They meet at the LeMars museum, 335 1st Ave SW. LeMars. They email members, but also have announcement of program with short summary of speaker and topic. Public invited. The programs has been on military history with either veterans or military history buffs as presenters. The society also publishes a quarterly newsletter.

Buena Vista County doesn't have a group meeting as all that are interested go to the Buena Vista County Historical Society and Museum at 214 West 5th Street, Storm Lake, IA during their open hours and anyone on duty can help with the research. They are again having book sale and garage sale for paying for repairs to roof and other damage from the 2025 storms.

The other counties in region use GenWeb and the local library to respond to inquiries.
